2018 CALENDAR (current at 24 March 2018)

Venues: 85 Forrest Road, Strathalbyn (Target, Field), and Goolwa Sports Stadium, Glendale Grove, Goolwa (Indoor).

Hot Weather Policy: When Strathalbyn's forecast temperature is 32° or greater (for juniors) and 36° or greater (for seniors) there will be no organised shooting. Club members may shoot at their own discretion but they are cautioned to be careful of heat related issues.

Signing In: Signing in and payment of shooting fees **MUST** be completed prior to shooting.

WA Field Shoots: Please book in advance for Field shoots via Archer's Diary.

WA and AA Target Rounds: In the calendar World Archery rounds are prefixed by "WA", eg. WA 50/720, but Archery Australia rounds do not have a prefix, eg. An "AA 50/720" will simply be listed as "50/720", however the "AA" prefix usually appears in Archer's Diary.

Scheduled Rounds: The suggested target rounds listed intended to help archers develop their skills and as a work up for some of the popular events around Adelaide. The first round listed is aimed at archers who have just finished the beginners course. The second round listed is a little more difficult and the third round will be more arrows and/or longer distance designed to challenge the archer. However for GSA members, scheduled Rounds each week include all official Rounds listed in Archery Australia's Constitution and Rules. The rounds listed are a suggestion only, if members wish to shoot a round not in the calendar then they can ask the Club Recorder to add the round into Archer's Diary if they contact the Recorder at least two days before the scheduled shoot. Please note that this should be an exception and not requested frequently.

Shooting Times: Target and Field shoots commence at 10:00 am. Indoor shoots commence at 7:00 pm.
 Beginners courses commence at 10:00 am.
 Archers may set up and shoot at any time on the day as time permits.

GSA Open Times: Saturdays 10:00am and other times noted in the calendar. The Forrest Road venue is available to club members 7 days a week for practice but please note the signing in and flags requirements.

Shooting Flags: When shooting outside scheduled times you must ensure **RED FLAGS** are displayed at the gate and clubhouse.

Setting Up: All archers are expected to participate in the setting up and packing up of club equipment. All archers wishing to participate in shoots are expected to be at the venue **30 minutes prior** to the commencement of shooting.

Working Bees: For safety, no archery is allowed until the completion of working bees (approximately 12:00 noon).

Dartchery Field

Dart target faces will be placed on butts 1-20. The aim is to hit the '1' on butt number 1, 2 on butt 2, and so on. Each archer will shoot 3 arrows and will score the target number if they hit the number with their first shot, the number minus 1 if they hit with their second shot and the number minus 2 if they hit it with their third shot. For example if an archer is shooting on butt 12 and hits the 12 wedge with their first shot, the 9 wedge with their second and hits the 12 again with their third shot they would score $12 + 0 + (12-2) = 22$. The exceptions to this are on butt 1 an archer scores 1 for every shot they place in the 1 wedge and on butt 2 they score 2 if their first arrow hits the 2 wedge and 1 for every subsequent arrow in the 2 wedge.

The usual rules for bow type and firing marker apply.

Dartchery Target

Firing 4 arrows per end and starting with the 20 wedge shoot an arrow into the next lower number wedge consecutively, ie. 20 then 19 then 18 and so on. No special significance is attached to double or triple score zones. Maximum of 20 ends, ie. 80 arrows.

All sighted bows shoot at a range of 40m, unsighted bows from 15m.
